SELF STUDY UNDER WAY

The 300 students listed in this weeks COMMENT have been selected by the Self-Study Committee for a survey of the attitudes connected with the college. The survey will be conducted by Paul DuCott, David Campbell and Dr. Herbert J. Greenwald for the Self-Study Committee.

Paul DuCott told The

COMMENT that the procedure for the survey will be the 300 students selected are asked to report to the Horace Mann Auditorium in Boyden Hall at one of the following times: Thursday, anytime 2pm - 5pm; Friday, 12 noon and 2pm - 5pm. Paul added that the student need only answer a ten minute questionnaire.

Dr. Greenwald told The COMMENT that the students involved were randomly selected. He added that the results of the survey will be used by the Self-Study Committee to define the goals of this college.

This is the first survey that has been done by the Self-Study Committee. Other projects of this body are: Trying

to understand the objectives of teachers. For this study the committee has designed a survey for teachers and administrators from local school systems many of whom are alumni.

The Academic Departments of Bridgewater State are also participating in the project by evaluating the programs they offer and how they can be im-

proved.

The Self-Study Committee is the result of a recommendation to the Faculty Council last Spring. The committee welcomes participation from all segments of the community. As Dr. Greenwald put it: 'The Committee is trying to understand better what this college is about and the direction it should head in the future.'

ATTENTION!

The following students have been selected at random for a 10 minute questionnaire. The Self Study Committee is holding this survey in order to evaluate the goals of this college. The students listed are asked to report to the Horace Mann Auditorium in Boyden Hall at one of the following times

Thursday 2 p.m. to 5 p.m. Friday 12 p.m. and 2 p.m. to 5 p.m.

SGA Council Votes No On Christmas Decorations

SGA MINUTES
December 2, 1971

President Joel Weissman called the meeting to order at 5:00 pm in the Council Chambers. Dean David Deep then swore in the new delegates; Daniel Calegari (72), Christine Foley (73), and John Dixon (74).

Joel then moved immediately into his Chairman's report where he attempted to clear up accusations by Greg Lee in the HARD TIMES to the effect that he had without the permission of the Council promised money to the Christmas Committee for campus decorations. Danny Calegari speaking for Mr. Miller, David Elworthy speaking for Mr. Meaney, Diane Downing for Women's Dormitory Council, and Rich Kane speaking for himself as a member of the Christmas Committee, all stated in fact that Mr. Weissman had at no time made any such statement or promises. At this time Mr. Lee was asked to reconsider his accusations and he promptly refused. Tom Gilmartin then asked the above witnesses whether or not they felt that this promise was implied. None of them felt as if it had been. Tom also remarked that he had spoken to Lou Perry earlier in the day and Mr. Perry assumed that the money would come from the Council but he declined from commenting whether this promise of money was actually stated to him. Greg Lee asked Joel to make clear what his position was. Some people felt that Joel had a double position, SGA President and Christmas Committee Chairman. Joel stated that when he chaired the Christmas meeting he was acting just as chairman and at no time did his position as President enter the picture or influence any of his decisions. It was obvious at this time that the debate was one of personality. David Elworthy requested that the Council move on as nothing was really being accomplished. The majority of the Council agreed.

The Secretary's Report was read and accepted with the following corrections: Add into the discussion on the Speech and theatre fee debate the following: Arguments for this fee were brought up by Tom Gilmartin who presented a petition of 410 student signatures.

The Treasurer's Report was read and accepted as written.

SUZANNE'S LAMENT

The S.U. Program Committee presents, Suzanne's Lament a 45 minute tone poem about the glacial outwash plain shoreline of southeastern Alaska. Done in Audio-Visual form this concert includes over 200 color slides set to contemporary music and deals with man and his destructive influence on the fragile coastal environment of Alaska.

The topics covered are: mountain, coastal, and glacial

Fran Canute then made the following motion: FINANCE COMMITTEE MOVES THAT SGA ALLOCATE \$500.00 FROM COUNCIL FUNDS. Teo Reis brought up the fact that this recommendation had to be tabled for a week before it could be voted on.

Because there was such an outstanding turnout of students for this matter it was moved that the Council suspend its financial procedures in order to vote on the motion immediately. This motion was defeated 11-9-0-0. Greg Lee moved that the Council move into a Committee of the Whole to discuss the matter and this too was defeated. Prior to this suggestion by Mr. Lee, Tom Sullivan had objected to the consideration of the motion concerning suspension of financial procedures. This objection was defeated 11-8-1-0. After a little more discussion on the entire matter Greg Lee again asked to suspend financial procedures. The vote was 13-7-0-0. A vote from the Chair was requested and Joel voted in favor of suspension. At this time Mike Howell the Parliamentarian made a note of the fact that the Council's actions were out of order. According to Parliamentary Procedure the same motion cannot be moved twice in succession without new business intervening. To rectify the situation, the Council moved on to the next motion from the Finance Committee which reads as follows: FINANCE COMMITTEE MOVES THAT SGA ALLOCATE \$470.00 FROM CONTINGENCY TO LE CERCLE FRANCAIS. THIS WITH THE STIPULATION THAT IF THEY HAVE NOT SIGNED UP ENOUGH MEMBERS TO FILL UP THE BUSES BY DECEMBER 16, THE MONEY WILL BE RETURNED TO SGA. This recommendation was automatically tabled for one week as was the Verse Choir budget.

The Council returned to the Christmas matter. Again the motion to suspend financial procedure was put on the floor and it was passed 14-7-0-0, including a vote of the Chair. Arthur Silva moved to amend the motion to read \$200.00 instead of \$500.00. Francine did not accept this amendment. Artie then proposed a friendly amendment to read: MOVE THAT AT LEAST 1/2 OF THIS MON

EY BE GIVEN TO CHARITY. The motion was defeated 8-12-0-0. More discussion continued on the original motion both from the Council and from the

gallery. When the vote was finally taken, it stood 6-11-3-0. The motion was defeated.

Under Committee Reports all chairman scheduled to report did so as usual with no outstanding progress on any of them.

Under Old Business was the State College Convention at Framingham. It was decided that Carol Palmer and possibly Tom Sullivan would represent BSC at this convention. Elections Director Susan Cavanaugh then gave the results of last weeks elections and referendum. She also made the point that the voter turn-out was quite disappointing and she could not see where these results, especially the referendum, could be used as solid criterion for any argument.

The recommendation to the President by Greg Lee was moved to next week's meeting. Dana Pierce made the following motion: RECOMMEND to the faculty council that a committee be established to set up fines for overdue material borrowed by the faculty members.

This motion passed. Bill Manter then asked that the Council recognize the Commuter Service Organization. This motion was also passed. The budget request from the Menorah Club was defeated 14-2-0-4 by the Council.

Danny Claegari and Greg Lee introduced the motion that a recommendation go to the President asking that all campus police refrain from wearing firearms and only carry them in the cruiser. A friendly amendment was proposed to read that the officers refrain from wearing firearms at social functions only. It was suggested that this matter to be tabled until such time that more information was available. Roger Perry recommended that more lights be put up in the Great Hill parking lot if for only better protection of the Residents' cars. The Spanish Club was given one more week to get their Constitution in order.

A motion was made to adjourn. It was unanimously passed at 7:35pm.

Respectfully Submitted

Administration Picks Up Tab

The Christmas Committee met on Monday, December 6, 1971 in the Green Room. Speaking at the meeting was Academic Dean, Lee Harrington. Dean Harrington, speaking for the administration, remarked that the idea for the Christmas Celebration was a student initiated idea. He explained that he felt the students not only wanted to decorate the campus for Christmas for the enjoyment of the college community, but also for the community at large. Dean Harrington then noted that many students were not happy with the decorations and these students felt the money should go to charity.

Dean Harrington then informed the committee that the college would pay for the Christmas project if a recommendation came from the Christmas Committee. He explained that the money for this decorating project will have to come from the 12 account-general maintenance. Money from this account is used for such items as salt and sand for the roads and sidewalks during the

winter months. Dean Harrington added that since this project must be paid for via this account some other maintenance needs on campus may have to be neglected.

Joel Weissman, speaking as Christmas Committee Chairman and not as S.G.A. President, pointed out that these decorations are reusable and predicted a 10 year reusability for most of the decorations purchased. At that rate, he said the cost would be \$100 per year or approximately 30¢ per student per year.

Art Silva, senior class president, stated many organizations were interested in donating money to charity in addition to or instead of contributing funds to the campus decorating effort. The discussion then centered around a campus-wide charity drive for the poor of the town of Bridgewater. In conjunction with the Christmas display on the quadrangle, a booth will be set up for donations.

The display on the quad will be ready for lighting on Sunday, December 12.

Board Of Gov. Give \$200 To XMas Committee

In action relating to the Christmas Display, the S.U. Board of Governors met in a special session on Tuesday to reconsider the Board's \$100 donation to the Christmas Committee.

The discussion centered around the purpose of the S.U. Fee which is paid by all students, day and night divisions. The question was raised as to whether or not it is legal to use S.U. fee money for projects outside of the S.U. Building. It was felt by many Board members that S.U. fee money could not be used for projects not connected with the Student Union. This question was referred to the constitution committee for further defining of the philosophy of the Student Union and its relation to the S.U. Building Fee.

In action dealing with the Christmas donation, Prof. R. Barnett pointed out that although there are questions dealing with the purpose and use of the Student Union Bldg. Fee, there are funds in the Student Union Building Fund which are derived from other sources such as dining hall commissions which might be used for the Christmas Donation.

It was felt by several Board members that the money should go to charitable purposes rather than the Christmas display. Pat Golden then suggested that the Board of Governors donate \$200 to the Christmas Comm. with \$100 going to the Christmas Charity Drive with the stipulation that this money not come from S.U. Fee money but from S.U. commissions

Choral Society Christmas Concert Wednesday

Chorale in rehearsal

On Wednesday, December 15, the Music Department of BSC will present the Bridgewater State College Chorale, Women's Glee Club, and its newest performing group, the Men's Glee Club, at 7:30 PM, in the Student Union Auditorium.

The 75 voice Chorale, under the direction of David H. Rinald, will present as its major work, Benjamin Britten's REJOICE IN THE LAMB, a cantata for chorus, soloists, and organ. Soprano soloists are Donna Milani, Peggy Kenny, and Myra Medeiros, the alto soloists Jan Pieri, the tenor soloists are Dennis Travers and Mike Tesler, and the bass soloist is George Newcomb.

Robert Caldwell will be the accompanist at the new Allen organ.

REJOICE IN THE LAMB is a modern work, completed by Benjamin Britten in 1943. The text is by the mad English poet, Christopher Smart.

In addition to the Britten piece, the Chorale will be heard in William Byrd's motet, I WILL NOT LEAVE YOU COMFORTLESS, an excellent example of vocal polyphony from the Renaissance. Also, the audience will hear PROPITIUS ESTO DOMINE, a motet from the classical period by Johann Michael Haydn, the younger brother of the more famous Franz

Josef Haydn. There will be a new Christmas Carol, LET THE BRIGHT RED BERRIES GLOW, accompanied by Denise Michaud at piano. Finally, Chorale alumni, faculty and friends will be invited at the end of the program to join the Chorale onstage for a rendition of Handel's HALLELUJAH CHORUS.

The Women's Glee Club, under the direction of Henry Santos will sing music by two modern English composers, Martin Shaw and Donald Swann. Shaw's WITH A VOICE OF SINGING will be heard along with Swann's THE DEVIL WORE A CRUCIFIX and THE STORKE CAROL. The group will also be heard in the Colonial American composer William Billings' setting of WHEN JESUS WEPT and the American folksong HE'S GONE AWAY. Mendelssohn's HOW LOVELY ARE THE MESSENGERS and GLORIA IN EXCELSIS DEO arranged by Barthelsson will complete the Women's Glee Club offering. Robert Caldwell will accompany this group on piano and organ.

Bridgewater's newest performing group, the Men's Glee Club, under the direction of David H. Rinald will sing a short group of more traditional, and yet lighter, numbers, accompanied at the piano by Cathy Marcinkwicz, and on the guitar by William Pine.

"SIX CHARACTERS" OPENS TONIGHT

By John Murphy

The Bridgewater State Drama Club has once again shown its great ability in its production of 'Six Characters in Search Of An Author'.

This play by Luigi Pirandello is brought fully to the stage by the direction of Professor Stephen Levine and the unbelievably performances of Sue Sciarappa, Chris Fairhurst, Michael Poigloria Hudson, and James Romano.

The plot consists of a disarranged family in search of someone who will become author to the play they act out. The father played by Michael Poisson leads his family to the studio of a television director, James Romano. They there act out scenes from their lives, in which we see a short but utterly fantastic portrait of Madame Pace, played by Susan Hare.

The daughter who causes most of the action in the play is played by Sue Sciarappa, a brilliant performer. This daughter holds open resentment toward the only legitimate child, a son, played by Chris Fairhurst.

This tension results in the tragic death of the two youngest children played by Mariposa Rinald and Brian Harington.

The leading man and woman in the studio scenes are Jean Dresser and George Newcomb, who play the part of actors who imitate the actions the characters perform.

The play started out as a success right from the start with its attractive poster designed by John Heller.

The entire audience will be seated on the

stage enabling to see every move. If for any reason this is not possible, there are eight television monitors hung so as to capture every move on stage.

The play will run Thursday December 9 to Sunday December 12. The curtain goes up at 8:15 in the Student Union Auditorium. The cost of tickets is one dollar for students and two dollars for non-students.

CO-VETS ASSAULT DIVISION A

The Co-Vets squeezed out a narrow win Monday night over the Alkies, 25-23. The winning two points were pumped in by the magnificent maneuvering of Herbie Clifford as he twisted turned, and contorted his body for a lay-up with less than a half minute remaining.

It was a close contest throughout the entire game as the Alkies scored first. However, they didn't remain ahead for long. Leads changed hands constantly and more times than not both teams were deadlocked in a tie.

It was neither a defensive or obviously an offensive game. Neither team could do anything right. For the Co-Vets, they just couldn't hit from the outside of the key or as close as under the basket.

On defense the Co-Vets managed to cause quite a few turnovers by the Alkies, yet they couldn't use them to any advantage as they oftentimes immediately turned over the ball to the Alkies.

Ferocious Frank Botta scored two points but was the most aggressive member of the Co-Vets as he really got some key rebounds.

Paul "Snidely Whiplash" Egan scored two points also and made some good key pics and grabbed a few loose balls and turned them into some nice plays that unfortunately didn't work out too often due to aggressive defensive tactics by the Alkies as they closed up the middle and the Co-Vets had to shoot from outside for so many shots.

Hurricane Kevin Harrington managed to move the ball around despite the Alkies' defense and he tossed in six points.

Vladimir "The Cosmic Cosack" Diatchenko, a reserve guard, and Dave "Fingers" Fillion gave momentary excitement as they came off the bench to spark up some life into a mediocre cause.

But once again, Abean Clifford was the big gunner for the Co-Vets as he notched 15 points for a 20 point per game average.

Defensive prowess was displayed by Joltin' Joe Dotolo and Paul "Satch" Sechoka but both were unable to contribute to the Co-Vets' offensive attack. The Co-Vets are 2-0 now.
